

## Our Peace

Key: B

### VERSE 1

**G#m E B**

Your just Word

**G#m E B**

Held in perfect love

**G#m E B**

Our hands tied

**G#m E B**

Sin bordered us

### PRE-CHORUS

**C#m F#**

So You stepped in the way

### CHORUS

**B**

You lift us up

**F#**

Where we can love Your law

**G#m E**

And unashamed we stand on grace

### VERSE 3

You loved first

While we warred within

You're the peace

We've been longing for

### PRE\_CHORUS

So You stepped in the way

And You became sin for us

### CHORUS 2

You lift us up

Where we can run to You

We want to please Your heart alone
